The VIP BOAT will provide general race information. Do not crowd the channel with questions regarding placement of teams in the racing pack.

If assistance is needed for escort vessels, call **SCORA I, SCORA II, or SCORA III**. The Coast Guard has been informed of the race, as have the Harbor Patrols in Avalon and Newport Beach. **Urgent medical emergencies should be handled on channel 16** and directed to the agency that can assist in the timeliest manner.

We will be crossing the shipping lanes out of San Pedro and Long Beach. No ship will change its course for our race. It takes 4 miles for a vessel that size to slow down. Please proceed with caution and aim for the rear of any large vessel

crossing the course.
